How it works

» Top-up by Text

To get credit, simply send a text message from your phone to short-code **122**:

- » Text the letters **rc** (space)
- » followed by the **amount of credit** you want (space)
- » followed by your secret **personal identification number (PIN)**

Example: to request a top-up of \$15 where your PIN is 1234:

- » Text "**rc 15 1234**" to short code **122**

It's that easy! Within a few seconds, you'll receive a text message confirming that your phone has been topped-up. Your credit union account will be debited for the amount of the top-up that you requested.

* *TopUp & Go* is currently available in Barbados and the Caribbean where supported by your mobile service provider.

» Top-up at the ATM

To get credit, simply insert your Co-Optima ATM Card at any BPWCCUL ATM or cash dispenser. Enter your card PIN then:

- » Select **Mobile Top-up**
- » Select your **mobile service provider**
- » Enter the **amount of credit** you want and press *Enter*

It's that easy! Within a few seconds, you'll receive a text message confirming that your phone has been topped-up. Your credit union account will be debited for the amount of the top-up that you requested.
